Environmental Statement

BamaClean is committed to leading the industry in minimizing the impact of its activities on the environment.

The key points of its strategy to achieve this are:

- ★ Minimize waste by evaluating operations and ensuring they are as efficient as possible.
- ★ Minimize toxic emissions through the selection and use of its fleet and the source of its power requirement.
- ★ Actively promote recycling both internally and amongst its customers and suppliers.
- ★ Source and promote a product range to minimize the environmental impact of both production and distribution.
- ★ Meet or exceed all the environmental legislation that relates to the Company.
- ★ Use Green Seal Chemicals when ever conditions allow.
